

CLAIMS

---

Claims 1-4: (Canceled)

Claim 5 (Currently Amended): The device of Claim 4 23 wherein the means for affixing is a fastening means for removably attaching a housing to different locations on the golfer's body.

Claim 6 (Previously Presented): The device of Claim 5, wherein the fastening means comprises an adjustable velcro strap.

Claim 7 (Original): The device of Claim 5, wherein said fastening means comprises a belt clip.

 Claim 8 (Currently Amended): The device of Claim 4 23 wherein the location on the golfer's body is an article of clothing worn by the golfer.

Claim 9 (Currently Amended): The device of Claim 4 23, wherein the means for affixing the housing to a location on a golfer's body is affixable to the golfer's ankle.

Claim 10 (Currently Amended): The device of Claim 4 23, wherein the means for affixing the housing to a location on a golfer's body is affixable to the golfer's waist.

Claim 11 (Currently Amended): The device of Claim 4 23, wherein the laser beam is directed toward a target.

Claim 12 (Currently Amended): The device of Claim 4 23, wherein the laser beam is directed toward a point of reference directly on the ground in between the golfer's feet.

Claims 13-22: (Canceled)

Claim 23 (Previously Presented): A golf laser aid device comprising:

a housing having a laser, the housing further comprising a swiveling member, the swiveling member including a means to adjust the swiveling member from an unfixed to a fixed position; and

a means for affixing the housing to a location on a golfer's body, wherein the laser emits a laser beam that points in a line directly toward an external reference for providing the golfer with a swing alignment reference separate from the golfer's body.

Claims 24-25: (Canceled)
